Kia Ora

Wild, wide and wonderful, Australia and New Zealand continually excite and inspire. It doesn't matter how many mountains you've climbed or remote island shores you've visited, there's always a different creation story to be told or gallery of ancient rock art to be revealed.

We offer our respect and gratitude to the Māori, First Nations Australian and Torres Strait Islander custodians who have nurtured the land and its cultures for so many millennia, and who are now some of our most trusted partners in introducing them to a curious world.

Welcome Traveller,

Know that there is no comparison to the adventures awaiting you; within these pages you'll discover snow-dusted mountain ranges, untouched natural havens, volcanic landscapes, and geothermal wonders.

One moment you could be pondering otherworldly possibilities, gazing beyond the Southern Cross at the Dark Sky Reserve, which only the clear skies of the Mackenzie Region allow. Then next, exploring Stewart Island's wild and wonderful coastline, the home to the rare yellow-eyed penguin and sanctuary for many protected native wildlife.

You can discover the many arts and traditions unique to Māori culture at Te Puia, in the beautifully carved whareniui, meeting cultural performers, and unearthing the techniques of hāngī cooking, where food is steamed underground. Sample your own hand-churned butter at the 500-acre heritage Red Barn, nestled in the countryside of Waikato – this farm takes paddock-to-plate freshness to a new level. And the new All Blacks Experience will bring you up close and personal with this other famous New Zealand passion – Rugby.

With AAT Kings, you'll go behind the scenes, it's what 100 years of expertise allows you to uncover. Remarkable experiences that many unknowingly pass by – these unexpected moments are the memories you treasure the most.

We are, and always have been pioneers leading the way and pushing boundaries. Together with our extraordinary Travel Directors on the road, we're committed to worry-free and sustainable travel - making every single second of your journey remarkable.

Wherever you decide to roam, you'll be in good hands.

Sincerely,

A handwritten signature in blue ink that reads "Ben Hall".

Today, we're proud of
our history and of our people.
Some things never change...

100+ Years of Adventure and many more to come

A century ago, the Australian outback was but a twinkle in most travellers' eyes. But thanks to visionaries like the Pyke family and Bill King, the way we explore the Land Down Under was about to change in unimaginable ways. Over the coming decades, maps were unfolded, desert cruisers and coaches were customised, and guides were trained. From humble beginnings, the company now known as AAT Kings was going places few had gone before, pioneering new paths across Australia and New Zealand and taking intrepid domestic and international travellers on a wild and wonderful ride.

No corner of the Antipodes was – or is – off-limits, from the remote reaches of the Kimberley and spiritual heartland of the Red Centre, to the untamed Milford Sound/Piopiotahi, bubbling thermal Rotorua and quiet shores of Tasmania. Not to mention in-depth journeys across Sydney and its surrounds, where this forward-thinking travel venture came to fruition all those years ago.

We've come a long way and clocked a few kilometres in the process. But some things will never change. Like our spirit for adventure. Our oh-so-knowledgeable Travel Directors. The local characters we meet (and will never forget) along the way. The epic, goosebump-inducing stories we're told by First Nations guides. The life-changing experiences on offer – the kind that only 100 years of exploring affords.

Now, we're just jumping into more waterfalls, finding ourselves humbled by more sacred sites, laying more footprints on deserted beaches and hiking through more tropical rainforests than ever before. And we've never been more passionate about our next discovery. Join us, and fall in love with Australia and New Zealand all over again.

New Zealand, but not as you *know* it.

New Zealand never fails to captivate, from its record-breaking glaciers to its steamy hot springs; from its world-leading wineries to its ridges of snow-capped mountains. While we've spent decades here, meeting the locals and crafting the ultimate itinerary, we're always looking for ways to broaden our horizons, discovering new destinations and experiences, and coming up with novel adventures – the one-off kind that remind you why travel is transformative, whether drifting through fjords or swimming in World Heritage listed sites, meeting the makers or listening to soul-stirring stories, dining under the stars or decoding them in a Dark Sky Reserve. Regardless of where we go, some things will never change, like our pioneering spirit, our commitment to worry free and sustainable travel, and our passion for revealing New Zealand in a way you never imagined possible.

Amazing Experiences

We were built on pioneering spirit, and to this day our tours include adventures that few others experience. We're constantly looking for ways to make journeys extraordinary, whether that's remote night-sky gazing or lunch on a dairy farm. This is New Zealand, but not as you've ever seen it.

Diverse Travel Styles

What you want from your holiday is not necessarily the same as your neighbour. Sometimes, it's about adventure. Often, it's a good glass of wine and a remarkable view. Perhaps you want to see major sights, or choose your own path while we handle the main roads. Whatever your destination and route, we have an itinerary for you.

Conscious Travel

There are plenty of things we can all do while travelling to contribute to sustainable tourism practices.

We've developed a series of tours with signature **MAKE TRAVEL MATTER®** Experiences – to ensure travel has a positive impact on our planet, the communities we visit and the wildlife we encounter.

Worry-free Travel

Your wellbeing is our primary concern. In addition to elevated hygiene protocols, AAT Kings tour guarantee upgraded coach air-con filtration systems. We only work with partners we know and trust, and our Travel Directors ensure everything runs smoothly, with a support team on call.

Family Values

When you travel with AAT Kings, you're not only part of our century-old heritage, but are welcomed into just as many years of experience in The Travel Corporation. Journey confidently knowing our family-owned parent company has welcomed millions of people around the world across its brands.

Amazing Experiences

Every year, millions of adventure-seekers visit New Zealand. But to really get to know it – to take its pulse as an insider – you need to follow the lead of locals. We've spent the last 100 years exploring the Antipodes, meeting farmers, winemakers, chefs, Indigenous experts, artists and astronomers, and creating lasting friendships. The kind that now give us – and you, as our guests – unrestricted and unrivalled access to parts of the country that other travellers just can't go, and to exclusive experiences most will probably never know existed. We'll take you places, and our passionate people will reveal their true beauty.

Discover NZ's wildlife haven, Stewart Island

New Zealand's southernmost community resides on Stewart Island, a slip of land where brown kiwi birds outnumber humans, and where blue and rare yellow-eyed penguins waddle on rocks. More than 85 per cent of this wild and wonderful destination is national parkland, as you'll discover on a tour around the petite village and its beautiful bays, your journey taking you to Observation Rock and offering unbroken views over Paterson Inlet. This is nature at its most awe-inspiring and humbling.

All aboard for the Southern Alps!

One of the world's great rail journeys, the TranzAlpine train offers a front-row seat to the South Island's most epic landscapes between Greymouth and Christchurch. Jump aboard to traverse the Canterbury Plains, chugging through immense beech forest, over viaducts, across river-carved gorges and past the ice-fed Waimakariri River, backdropped by the snow-capped Southern Alps. This historic route has been in operation since 1914, and is no less spectacular today than it was more than a century ago.

Get set for a peak performance, Milford Sound/Piopiotahi

New Zealand boasts more than its fair share of natural wonders, none quite as dramatic as Milford Sound/Piopiotahi within World Heritage listed Te Wahipounamu reserve. Waterfalls tumble from escarpments into inky water, glaciers sparkle from clifftops and mountains scrape the sky – it's a natural haven for fur seals, penguins and dolphins, which you'll observe firsthand on a scenic cruise through the sound. Back on land, your journey through Fiordland National Park continues to Te Anau, from rainforest through wildflower-dusted meadows and across alluvial flats.

Sip and savour liquid gold, Greymouth

Monteith's Brewery has been making lager, IPA and pale ale since 1868. It's fair to say they know a thing or two about beer – more specifically, excellent craft beer, which you'll get to sample on a behind-the-scenes tour revealing the traditions and heritage of this national icon. While some menu items never change, others are seasonal and experimental, and all are a refreshing accompaniment to the pub-style lunch you'll enjoy here.

International Dark Sky Reserve

Yellow-eyed penguin, Stewart Island

Prepare to see stars, Tekapo

Free from artificial light pollution, the UNESCO Aoraki Mackenzie International Dark Sky Reserve really knows how to dazzle. Visit this spectacular spot, over the Lindis Pass and backdropped by Aoraki/Mt. Cook, at night to gaze at the Southern Cross, Magellanic Clouds and wonders hidden along the Milky Way through an optical telescope, the mysteries and magic of the starry sky above decoded by a specialist astronomy guide.

Churn things up on a dairy farm, Waikato

The Waikato countryside, 150 kilometres south of Auckland, is the stuff of postcards. It's particularly pretty at the Red Barn, a fully functioning dairy farm where you'll not only meet the gorgeous wide-eyed cows, but also try your hand at churning butter – then spread it thick on freshly baked breads before sitting down to a paddock-to-plate, country-style lunch with your hosts. It doesn't get any fresher.

2 Auckland

A little bit of leisure, a little bit of culture – today is one of those days. Sleep in before a peek behind the scenes of racing history on the New Zealand Maritime Museum's America's Cup Tour. Your Travel Director then takes you around the city, pausing at Bastion Point for epic photo opportunities. **B**

3 Auckland – Tauranga

Bet you didn't know New Zealand is home to horse-racing royalty. The O'Sullivan's welcome you to their Waikato estate for lunch in the Red Barn. Expect country banter, horse-riding gossip and farm-to-table fare. Venture east to the harbourside city of Tauranga, where you have a free afternoon in the Bay of Plenty to climb extinct volcano Mount Mauao or just chill on the golden sand of the main beach. **Hotel: Trinity Wharf. B BG DW**

4 Tauranga – Rotorua

The town of Te Puke grows most of the country's kiwis, and you'll enjoy a taste before venturing toward another hot-spot – Rotorua. Visit steamy Te Puia and tour the Whakarewarewa Thermal Reserve, a staggering valley where geysers pop and thermal springs jettison skywards. The hot rocks in this part of the world are perfect for cooking your hangi (underground) feast at Te Pā Tū Māori Experience, a bastion for Māori culture. **Hotel: Millennium, 2 nights. B HD**

5 Rotorua Free Time

Today, choose your own adventure. We have plenty of ideas for the paths you might follow. Optional sightseeing experiences include a bedazzling show put on by the glowworms of Waitomo Caves. Or perhaps zipping across Rotorua's three lakes in an amphibious WWII-era Duck. **B**

6 Rotorua – Wellington

Say haere ra (goodbye) to Rotorua and hello to... an immense amount of water. First stop is the raging rapids of Huka Falls, where 220,000 litres of water barrel over an 11-metre-high waterfall every second. Your outlook then unfolds into the dreamy landscape of Lake Taupo, the largest of its kind

in the country. Traverse the volcanic Central Plateau to NZ's cool little capital of Wellington, set on a pretty harbour that beckons with too many good restaurants to choose from. **Hotel: James Cook Grand Chancellor. B**

7 Wellington – Blenheim

If you don't fall in love with Wellington instantly, then you will surely find a spark after visiting Te Papa, the Museum of New Zealand – the morning is yours to peruse the jaw-dropping exhibits at your leisure. Re-join your companions to cruise Cook Strait across tranquil Queen Charlotte Sound. You're on the South Island now, and a Highlight Dinner reflects the best of Marlborough food and wine. **Hotel: Chateau Marlborough. B HD**

8 Blenheim – Christchurch

Sperm whales and fur seals are a common sight in Kaikoura – get lucky and you can see them from shore, or sign up for a bird's-eye view on an optional scenic flight over dramatic black beaches framed by turquoise ocean. Follow the coast and Canterbury Plains to Christchurch, home to some of the country's most innovative restaurants. **Hotel: Distinction. B**

9 Christchurch – Twizel

From its cardboard-crafted Transitional Cathedral to its gold-clad central library, Christchurch has well and truly rebuilt itself since the 2010/11 earthquakes. But South Island locals still cherish a simple life, as you'll discover over a Be My Guest afternoon tea with retired farmers Angie and Stan Taylor among the emerald fields of their home Morelea on the edge of Lake Tekapo. **Hotel: Mackenzie Country Inn. B BG DW**

10 Twizel – Dunedin

We got the power – hydro, that is. The Benmore Dam holds back New Zealand's largest artificial lake, and when the Benmore Power Station was opened in 1965 it was the biggest in the country. That should fuel you through to Oamaru, with its stately tree-lined streets and glam limestone buildings, before landing in Dunedin. **Hotel: Scenic Southern Cross. B DW**

11 Dunedin – Te Anau

From sheep farms to rugged mountains, today is one of contrasts. Venture into Fiordland National Park toward the South Island's largest lake and the town of Te Anau, the gateway to Pomona Island where native birds are under threat – and you can help protect them. **Hotel: Distinction Te Anau. Cultural Immersion

Discover just how strong Māori culture is at Te Pā Tū Māori Experience, celebrating art, tradition and cuisine. Bring your appetite for a hangi meal, cooked underground.

Sustainable Footprints

Operation Nest Egg may sound James Bond-esque, but it's actually a National Kiwi Hatchery project to care for the country's kiwi population.

Wildlife & Nature

You'd be forgiven for thinking you'd be transported to Mars when you arrive at Rotorua, a place where steam and mud pop, fizz and swoosh at every turn.

1 Welcome to Auckland

New Zealand's largest city is also one of its prettiest, as you'll discover exploring at your leisure. Arrive early to linger in its hip harbourside precincts, where galleries and design-driven stores await. You'll have worked up an appetite by the time you meet your fellow travel companions for a few local tipples at a Welcome Reception and dinner. **Hotel: The Grand by SkyCity, 2 nights. DW**

2 Auckland

If you didn't get your Auckland bearings yesterday, you will today. Have your camera poised as you reach Mission Bay, a dreamy waterside suburb where the blues patchwork to the horizon. Then get snap happy at Bastion Point and the Michael Joseph Savage Memorial, offering epic vistas over Auckland and its harbours. Want some tips on how to spend your free afternoon? How about going behind the scenes of the All Blacks or cruising to Waiheke Island to sip more wine? **B**

3 Auckland – Rotorua

You could be forgiven for thinking Rotorua's landscapes are a sci-fi movie set. Mud pops and jettisons from bubbling geysers, and steam rushes skywards from cracks in the Earth. The surrounding forest is a fertile habitat for New Zealand's national bird, being protected and bred at the National Kiwi Hatchery Aotearoa. The cotton-ball kiwi is under threat in the wild; at the hatchery, passionate conservationists reveal how they are saving the population, one incubated egg at a time. Tonight, dive deep into Māori culture and traditions at Te Pā Tū Māori Experience, where your hangi Highlight Dinner is cooked underground. **Hotel: Millennium. B HD**

4 Rotorua – Auckland – Queenstown

Lord of the Rings fanatics, prepare for a day of goosebumps – breakfast is served in the very spot that Frodo and Bilbo once lived. The Hobbiton Movie Set is all rolling hills and emerald pastures, a storybook landscape for The Lord of the Rings and The Hobbit trilogies. The feel-good vibes will follow you all the way to Queenstown, where some of the country's most awarded restaurants await. Whether you're in the mood for bulging burgers or lakeside tapas, ask us for recommendations. **Hotel: Millennium, 3 nights. B**

5 Milford Sound/Piopiotahi

Bring your stamina and sense of adventure – things get a little wild today. Nature rules as you skirt gleaming Lake Wakatipu, over the Devil's Staircase to Te Anau, the alpine gateway to World Heritage listed Fiordland National Park. Once you've paused to admire the drama at Mirror Lakes, Knobs Flat, Hollyford Valley lookout, Cleddau Valley and the Chasm, you'll begin to understand why Rudyard Kipling called this the 'Eighth Wonder of the World'. You haven't even seen Bowen Falls or Milford Sound/Piopiotahi yet... Cruise the latter with an eagle-eyed guide, on the lookout for fur seals and dolphins. **B L**

6 Queenstown Free Time

Take today at your own pace. Like things fast and furious? Feel the wind in your hair on the high-octane Shotover Jet, perhaps. Prefer to be able to talk while you cruise? Glide across Lake Wakatipu aboard the historic TSS Earnslaw to Walter Peak High Country Farm for a gourmet barbecue lunch. Wherever you wander, be sure to save space for tonight's Highlight Dinner at Postmasters Café, a historic Arrowtown cottage replete with picket fence and Instagrammable gardens. **B HD**

7 Queenstown – Lake Tekapo

Whether pinot noir grapes or cherries, things grow well in Central Otago. Get a taste for the region's stone fruit at a local orchard. Mountain drama – including views of Aoraki/Mount Cook – is your backdrop en route to Lake Tekapo, with water so turquoise it looks like a Renaissance painting. This part of the country is ravishing and remote; the lack of light pollution means dazzling Southern Hemisphere stargazing at UNESCO Aoraki Mackenzie International Dark Sky Reserve. It's handy to have an astronomer in your company to decode the constellations of the Milky Way. Life in perspective... **Hotel: Pepper's Bluewater Resort. B DW**

8 Lake Tekapo – Christchurch

The Canterbury region of the west coast is a bucolic union of grassy plains, mirror-like lakes and snow-capped mountains, the kind you might see on postcards. Hotel: Distinction, 2 nights. B BG

9 Christchurch

Start your last full day of your travels touring the beautiful English city of Christchurch, which is not only rebuilding itself after the devastating 2010/11 earthquakes, but is changing the way architects think about design. Case in point the mind-bending Transitional Cathedral, made largely of cardboard, and Tūranga, the gold-clad central library. A big day leads to a big evening joining your Travel Director and travel mates for a celebratory Farewell Dinner featuring produce from the Canterbury region.

10 Farewell from Christchurch

You've travelled hundreds of kilometres across two islands, likely taken thousands of photos, and made countless memories and new friends. The only thing left to do is plan your next tour. **B**

Waitangi National Trust

Highlights

Local Connection

The Bay of Islands naturally attracts creatives, inspired by the bucolic surrounds. Meet them – artists, makers and producers – on an optional experience.

Insider Knowledge

The Treaty of Waitangi was signed in 1840 to acknowledge New Zealand as a member of the Commonwealth. Any visit here is humbling, particularly in the company of a signatory descendant.

Cultural Immersion

Free day in the Bay of Islands? An optional mini tour of Russell takes you to iconic locations that make it so significant in New Zealand's early history.

Wildlife & Nature

From its 20-million-year-old volcanic dome to its spectacular waterfall, Whangarei feels more like an oasis than New Zealand's most northerly city.

As this holiday departs from the Cordis Auckland at 7.30am, accommodation will need to be pre-booked for the previous night.

1 Auckland – Bay of Islands

We hope you slept soundly, because today is jam-packed with adventures. Hit the road in the morning for a scenic sojourn to the Bay of Islands. This pocket of the country deserves its name – there are more than 140 subtropical islets off the coast here. It's undeniably beautiful, but it also holds a special historical secret; this is where the Treaty of Waitangi was signed in 1840, between Captain William Hobson and Māori chiefs. Your guide, likely an ancestor of one of the original signatories, will explain the significance of the site, while pointing out the world's largest ceremonial war canoe and a carved meeting house. You wanted an introduction to New Zealand heritage on day one – you got it. **Hotel: Copthorne Resort (Water View), 2 nights. D**

2 Bay of Islands Free Time

If there's a travel destination that inspires wanderlust, the Bay of Islands is it. Today, trip the light fantastic and head off in whatever direction you please. Perhaps out on to the water to ride the waves aboard a historic tall ship, glass of New Zealand wine in hand. Or maybe on a mini-tour around the romantic

town of Russell, the country's first permanent European settlement and seaport. Fun fact: the town's streets retain their original names and layout from 1843. Just ask your Travel Director for touring tips – and places to wine and dine come dusk. This part of the country was made for blazing sunsets. **B**

3 Bay of Islands – Auckland

If you've never heard of Whangarei, you're probably not alone. But today, New Zealand's most northerly city is well and truly on your radar. A place where waterfalls meet beaches, galleries meet museums, Whangarei is the country in a tantalising snapshot – a union of nature and forward-thinking culture. Explore at your leisure before sinking back into your seat for the mesmerising commute back to Auckland. **B**

🐬 Insider Knowledge

Cruising World Heritage listed Milford Sound/Piopiotahi is a 'pinch me' experience. The only way it gets better is with a guide pointing out dolphins and fur seals.

🌾 Cultural Immersion

Farming is a big deal in New Zealand, as you'll fast discover at Walter Peak Station. Learn about life on the land, then sit down to a barbecue dinner.

🌱 Sustainable Footprints

MAKE TRAVEL MATTER EXPERIENCE Pomona Island Charitable Trust works with passionate volunteers to rehabilitate the South Island's largest inland island. You get to be a part of the magic.

🦋 Wildlife & Nature

Snow-capped mountains, a mirror-like lake, white-water rivers and vine-laced fields. Queenstown is blessed with natural assets.

1 Welcome to Christchurch

At once forward-thinking and fun, Christchurch is the kind of city you could lose yourself in for a week – or more. You have this afternoon, so make the most of it. We recommend riding the rails on the vintage Christchurch Tram, a narrated hop-on, hop-off experience that loops around town, your host pointing out historic architecture and new developments that have popped up since the 2010/2011 earthquakes. Time to meet your fellow adventure-seekers over a Welcome Reception. **Hotel: Distinction.**

2 Christchurch – Twizel

If you didn't get your Christchurch bearings yesterday, you certainly will on today's city tour, taking in the record-breaking Transitional Cathedral – who knew you could build a church from cardboard? The buildings of the city fade into a patchwork of farms as you ease across the Canterbury Plains toward Morelea. Here, Angie and Stan Taylor welcome you to their home with a slap-up Be My Guest afternoon tea and tales about life on the land. And this land is truly dramatic, backdropped by powdery mountains and cut with turquoise lakes, none quite as pretty as Lake Tekapo, on its banks the stone-hewn Church of the Good Shepherd. **Hotel: Mackenzie Country. B BG DW**

3 Twizel – Dunedin

More water awaits, your journey following the Waitaki River to mighty Benmore Dam; it powers 300,000 New Zealand homes. You're en route to Dunedin, replete with rolling green meadows and grand stone castles. It kind of feels like you've been transported to Scotland – small wonder it's known as the 'Edinburgh of the South'. Afternoon at your leisure, we recommend a cruise to spot penguins and fur seals along the Otago Peninsula, or perhaps a visit to Speight's Brewery – a New Zealand institution. There's always that castle to explore. **Hotel: Scenic Southern Cross. B DW**

4 Dunedin – Te Anau

Leave Dunedin's bucolic sheep-farming countryside behind as you venture into World Heritage listed Fiordland National Park, a place of yawning gorges and gem-like glaciers, and azure lakes so large they have their own islands. Case in point Pomona Island, where a charitable trust of

passionate volunteers works to restore flora and fauna. With your help. Your cruise across Lake Manapouri is remote and ravishing during the day – it's even prettier at night, when glowworms fill caves. Can we tempt you?

Hotel: Distinction Te Anau. B DW

5 Te Anau – Queenstown

Nature rules today, from the moment you depart Te Anau and begin your journey deep into the heart of Fiordland National Park. Think native rainforests, beech forests, alluvial flats and meadows; Mirror Lakes perfectly reflecting mountain scenery; and precipitous lookouts holding guard over alpine rivers. And this is just the entrée. The main course is Milford Sound/Piopiotahi, where you cruise in the company of dolphins that frolic under the torrent of mighty Bowen and Stirling Falls, and gaze at misty escarpments so sheer they appear to cleave off the edge of the Earth. Life in perspective. **Hotel: Millennium, 2 nights. B**

6 Queenstown Free Time

Take today at your own pace. Like things fast and furious? Feel the wind in your hair on the high-octane Shotover Jet, perhaps. Prefer wine to get your heart started? See why Central Otago makes some of the world's most raved about cool-climate pinots on a cellar door tour. Wherever your daily wanderings take you, reunite with your companions come dusk to glide across Lake Wakatipu aboard the historic TSS Earnslaw, your barbecue Highlight Dinner served on the grounds of Walter Peak High Country Farm. **B HD**

7 Queenstown – Franz Josef /Waiau

In the shadow of the Remarkables, Queenstown is pretty spectacular. But it has some stiff good-looks competition from neighbouring Arrowtown, with its movie-set tree-lined avenues and 19th-century buildings that once housed gold-rush fortune-seekers. Things grow well in this verdant countryside, from cherries to pinot grapes and all manner of stone fruit. Have you ever tasted a freshly-plucked peach handed to you by a farmer? Prepare for a flavour explosion. The next explosion is a visual one as you arrive at Franz Josef Glacier/Kā Roimata o Hine Hukatere. Get some perspective of this immense ice fall on an optional helicopter flight – you may even get to land on it. **Hotel: Scenic Franz Josef Glacier (Douglas Wing). B DW**

Wine may steal the scene across much of New Zealand, but at legendary Monteith's Brewery, beer rules. Sip your way through a tasting paddle of XPA, IPA, lager and pale ale because, hey, you're not driving to the station where your TranzAlpine train awaits. This is one of those experiences where the journey matters just as much as the destination, as you sweep through tunnels and over viaducts with panoramic views of snow-capped peaks, icy rivers, beech forests, gorges and river valleys. What a way to end a day. **Hotel: Distinction. B L FD**

🌿 Natural Wonders

Get your glow on at the Waitomo Caves, a magical subterranean world lit by thousands of glow-worms. Drift along and prepare to be dazzled.

1 Welcome to Auckland

Auckland never fails to turn on the charm, as you'll discover while exploring the city before meeting your fellow adventure-seekers. Peruse waterfront precincts filled with yachts; take a cruise out to the wineries of Waiheke Island; or hit up the CBD to discover local designers. Turns out Kiwi creativity is surging. **Hotel: Holiday Inn Express.**

2 Auckland – Rotorua

After a morning of sightseeing, set your GPS for the Waikato River to Waitomo Caves. Here, your cruise route is cast in a magical light by thousands of glowworms. It's a landscape almost as otherworldly as Rotorua, where mud pops and jettisons from bubbling geysers, and steam rushes skywards from cracks in the Earth. Tonight, delve deep into Māori culture and traditions at Te Puia. Your dinner, a hangi cooked underground, is served while you overlook the spectacular geothermal valley. The highlight is a Māori cultural performance in the beautifully carved meeting house, Te Aronui a Rua. **Hotel: Ibis, 2 nights. B HD**

3 Rotorua Free Time

We're leaving you up to your own devices today. Bliss out in the steamy thermal springs in Rotorua's Polynesian Spa. Go behind the scenes on a working kiwi nursery and hatchery. Hobbit fans will want to take advantage of the opportunity to tour the sights featured in The Lord of the Rings movies at Hobbiton. The choice is yours. **B**

4 Rotorua – Wellington

A staggering 220,000 litres of water thunder over Huka Falls' 11-metre-high escarpment every second. It creates quite the calamity. From here, the road ahead unfolds in a broad panorama of Lake Taupo, its waters so vivid and blue they resemble an Ice Mint. Traverse the Kapiti Coast to New Zealand's cool little capital, Wellington. **Hotel: Travelodge. B**

5 Wellington – Picton

Wellington is known for its uber-cool cafés, designed to fuel you through a session at Te Papa, the Museum of New Zealand. Onwards to the Interislander for a cruise across Cook Strait, from the North Island to the South. **Hotel: Beachcomber. B L D**

6 Picton – Christchurch

Black is the new black, as you'll fast discover when walking along the dramatic ink-hued Kaikoura beach. Bonus points if you spot a sea lion or sperm whale frolicking offshore. Talk to your Travel Director for tips on the essential restaurants to dine in tonight – Christchurch has reinvented itself in more ways than one. **Hotel: Ibis. B**

7 Christchurch – Omarama

From its devastating 2010/11 earthquakes, Christchurch has become one of the most forward-thinking cities in the world when it comes to design. Case in point the mind-bending Transitional Cathedral, made largely of cardboard. From here, your outlook is the Canterbury Plains: the turquoise waters of Lake Tekapo, snow-capped mountains and atmospheric towns. Choose to take it in from the air for added perspective, on an optional scenic flight around the Southern Alps and on to Franz Josef Glacier/Kā Roimata o Hine Hukatere. **Hotel: Heritage Gateway. B D**

8 Omarama – Dunedin

Oamaru may have supplied other NZ cities with limestone, but it kept some for itself – and the result is glorious leafy streets with grand 1800s buildings that stand proud before you journey further south toward Dunedin. It's easy to while away the afternoon in 'little Edinburgh's' atmospheric art-lined alleys. Or venture further afield to discover the wildlife that thrives in this pretty pocket of the country – fur seals and penguins among them. **Hotel: Scenic Dunedin City. B**

9 Dunedin – Te Anau

There's no judgement that comes from a sleep-in. But if you have the energy, channel it into exploring Larnach Castle – the only one of its kind in the country. Dunedin's Scottish ancestry is everywhere you look, from the manicured grounds of Otago University to the city's main George Street. Rolling green hills dotted with doe-eyed sheep are replaced by soaring mountains as you weave your way into Fiordland National Park and the South Island's biggest lake and the town of Te Anau. 1 Welcome to Christchurch

Arrive early in Christchurch to get your bearings in this forward-thinking city. The best way to do that? Aboard the Christchurch Tram. Your journey not only takes you past jaw-dropping attractions, but also tells an inspiring story of community spirit in the rebuilding and reinvigoration of the city since the 2010/11 earthquakes. **Hotel: Ibis.**

2 Christchurch – Oamaru

We peel off a couple more Christchurch layers on a city tour before setting the GPS for Lake Tekapo, a blinding shade of turquoise accented by the soaring snow-capped peaks and wildflower-strewn fields that surround. It's quite the backdrop for the stone-hewn Church of Good Shepherd. Opt for a bird's-eye view on a scenic flight, taking you over Aoraki/Mount Cook, the Southern Alps and Franz Josef Glacier/Kā Roimata o Hine Hukatere. **Hotel: Heritage Gateway. B D**

3 Oamaru – Dunedin

Limestone put the pretty town of Oamaru on the map – its stately tree-lined streets are a parade of grand buildings. But it's just as popular today for nurturing New Zealand's oldest public gardens. Architectural drama of a different kind awaits in Dunedin in the form of Larnach Castle, the only one of its kind in the country. This afternoon is at your leisure. We can point you in the direction of atmospheric art-lined alleys or toward Speight's Brewery, a national institution. Or venture further afield to discover the fur seals and penguins that pad around the Otago Peninsula. **Hotel: Kingsgate. B**

4 Dunedin – Invercargill

If you find yourself humming a Garth Brooks tune en route to Gore, you're probably not alone. Fun fact: this is the country music capital of NZ. Invercargill is obsessed with something else: motor vehicles. Tributes to speed legends colour the city, telling the story of everyone from Burt Munro to Bill Richardson – his shed full of classic vehicles is the largest private collection of its type in the world. **Hotel: Kelvin, 2 nights. B**

5 Stewart Island

Invercargill is the gateway to the southernmost community in the country. Welcome to Stewart Island, a wild and wonderful drop of land that is 97%

national parkland. Naturally, it's a magnet for endemic flora and fauna, as you'll discover touring valleys and bays with a local. Forest-clad Ulva Island is avian heaven, completely pest free and an important breeding and nesting ground for all manner of birds. **B**

6 Invercargill – Queenstown

Adventure, nature, food and wine, relaxation – Queenstown is like New Zealand's chocolate box; there's something for everyone. Talk to your Travel Director then head off in your own direction, perhaps to feel the wind in your hair on the high-octane Shotover Jet or bungy jumping off a bridge. Or to sip your way through surrounding vineyards. You might like to glide across Lake Wakatipu aboard the historic TSS Earnslaw to Walter Peak High Country Farm, where a gourmet barbecue dinner awaits. **Hotel: Copthorne Hotel & Resort, 2 nights. B**

7 Queenstown Free Time

We wouldn't blame you for using today to linger by the banks of Lake Wakatipu, marvelling at sky-scraping Remarkables. But if you want to venture further afield, we have a few ideas. Top of our list today is an epic journey through Fiordland National Park to Milford Sound/Piopiotahi, carved by waterfalls and a playground for dolphins and seals. There's a reason why this part of the island has World Heritage status. **B**

8 Queenstown – Franz Josef/Waiau

Atmospheric Arrowtown was born from gold, and its movie-set-like streets still shimmer today. It's hard to tear yourself away, but the Alpine country of the Southern Lakes is calling, from Lake Dunstan – pause for juicy stone fruit picked fresh from the tree – to oh-so-blue Lake Hawea and lovely Lake Wanaka. Over the Haast Pass, Franz Josef Glacier/Kā Roimata o Hine Hukatere glistens like nature's gem. Get some perspective on an optional flight over this natural wonder – if the weather behaves, you may even get to land on it. **Hotel: Scenic Franz Josef Glacier (Graham Wing). B D**

9 Franz Josef/Waiau – Punakaiki

On the wild West Coast, Hokitika may be small in size, but boy is it big in personality, not to mention natural attractions. Wander the windswept coast before discovering the town's other beauty: pounamu (native greenstone or jade). In Māori tradition, it's bad luck to buy this sacred stone for yourself.

11 Nelson Free Time

The South Island's oldest city, Nelson is the ideal starting point for outings through Abel Tasman National Park. This pocket in the north of the island is a beguiling union of golden beaches framed by sculpted granite cliffs. Otherwise, drift away on a cruise around the coast, revealing unpeopled bays and dreamy inlets. The choice is yours. **B**

🏔 Natural Wonders

Franz Josef Glacier/Kā Roimata o Hine Hukatere is quite possibly the South Island's coolest attraction. Literally. This gem sparkles from its perch in Westland Tai Poutini National Park.

1 Christchurch

Since its 2010/11 earthquakes, Christchurch has reinvented itself in more ways than one. Discover how when you step back in time aboard the Christchurch Tram, linking some of the city's most legendary attractions. Expect quite the commentary – your conductors are a hoot. **Hotel: Ibis.**

2 Christchurch – Oamaru

Christchurch is not only rebuilding itself after the devastating 2010/11 earthquakes, but is changing the way architects think about design. Case in point the mind-bending Transitional Cathedral, made largely of cardboard, and Tūranga, the gold-clad central library. From here, your outlook is the Canterbury Plains: the turquoise waters of Lake Tekapo, the quaint Church of the Good Shepherd, snow-capped mountains and atmospheric towns. If you wish (and you should wish) take it in on a scenic flight for added perspective of the Southern Alps and on to Franz Josef Glacier/Kā Roimata o Hine Hukatere. **Hotel: Heritage Gateway. B D**

3 Oamaru – Dunedin

If you've ever wanted to see New Zealand's oldest public gardens, today you're in luck. Oamaru, with its stately tree-lined streets and limestone buildings, stands proud before you journey further south toward the Edinburgh of the South: Dunedin. It's easy to while away the afternoon in the city's atmospheric art-lined alleys. Or venture further afield to discover the wildlife that thrives in this pretty pocket of the country – fur seals and penguins among them. Thirsty? Visit Speight's Brewery, a New Zealand institution. **Hotel: Scenic Dunedin City. B**

4 Dunedin – Te Anau

There are some days when you're travelling, that all you want to do is sleep in. Go for it. Or channel your inner royalty on a visit to Dunedin's grand Larnach Castle – the only one of its kind in the country. Dunedin's Scottish ancestry is everywhere you look, from the manicured grounds of Otago University to the city's main George Street. Rolling green hills dotted with doe-eyed sheep are replaced by soaring mountains as you weave your way into Fiordland National Park and the South Island's biggest lake and the town of Te Anau. Soak up the serenity – it doesn't get any better than this. **Hotel: Luxmore. B D**

5 Te Anau – Queenstown

From the moment you step outside today, nature rules. Your route through Fiordland National Park is an intoxicating union of beech forests, alluvial flats, meadows and mirror-like lakes. Gin-clear rivers carve the countryside, with all roads leading to Milford Sound/Piopiotahi. Cruising this World Heritage listed expanse will give you goosebumps, a string of waterfalls creating a misty curtain across sheer escarpments. Look out for dolphins – they're a common sight here. **Hotel: Copthorne Hotel & Resort, 2 nights. B**

Take today at your own pace. Like things fast and furious? Feel the wind in your hair on the high-octane Shotover Jet, perhaps. Wherever you wander, make sure you're back in time to glide across Lake Wakatipu aboard the historic TSS Earnslaw to Walter Peak High Country Farm for a gourmet barbecue Highlight Dinner. **B HD**

7 Queenstown – Franz Josef/Waikau

Try and keep count of today's lakes. Leaving Lake Wakatipu behind, Arrowtown appears on the horizon. We know you'll want to linger in the movie-set-like streets, lined with trees and character-filled boutiques. But Lake Dunstan awaits, as do its orchards. Pause to refuel on flavour-packed stone fruit. Then there's Lake Hawea followed by Lake Wanaka, with its Instagrammable shoreline of poplars and willows. Over the Haast Pass, Franz Josef Glacier/Kā Roimata o Hine Hukatere sparkles like a gem. You don't get many opportunities in life to land and walk on a glacier. This afternoon is one. **Hotel: Scenic Franz Josef Glacier (Graham Wing). B D**

6 Te Anau – Dunedin

The South Island's biggest lake is a blissful place for an invigorating morning walk. If it doesn't set your pulse racing, then your outlook of rolling green hills dotted with doe-eyed sheep surely will. This bucolic countryside surrounds the city of Dunedin.
