Cruise with HOLLAND AMERICA LINE

EXPLORE SOUTH AMERICA'S INCREDIBLE COASTLINES

The fjords and channels beyond Chile's southern regions set the scene for world-class cruising in this remote Patagonian wilderness. Discover giant glaciers and snow-capped volcanoes as you cruise through Chile's largest protected area.

THE CHILEAN FJORDS

Strikingly rich in natural beauty and historical attractions, a cruise through the spectacular Chilean fjords is a unique journey into a very special environment. Over millennia, an intricate system of channels, fjords and straits has carved out its place on the nation's southernmost tip. Here, you'll come face-to-face with towering glaciers as they descend into impossibly turquoise waters. You'll round rugged shores and dip into secluded coves in search of local wildlife at home in this unique habitat. Meanwhile, icebergs and incredible views are commonplace in Chile's frozen southern frontier.

THE FALKLAND ISLANDS

Home to five types of penguin (Gentoo, King, Macaroni, Magellanic and Rockhopper), as well as albatross and elephant seals, the Falkland Islands present a range of astonishing wildlife encounters. Given the remote location of these islands, nature is still in charge both on land and in the surrounding seas. The islands' capital, Stanley, is a quaint, fascinating town rich in history, set on a harbour and home to charming museums and friendly locals. A great place to wander and explore on a historical tour.

DAY 1. PUNTA ARENAS, TORRES DEL PAINE NATIONAL PARK

On arrival in Punta Arenas, be met and transferred to Torres del Paine National Park and your home for the next few days, Hotel Las Torres. Your accommodation, strategically located inside the park at the foot of the Torres del Paine range, makes a perfect base from which to explore this stunning part of Patagonia. Upon arrival, meet with the friendly tour staff and plan your activities in the coming days, choosing from full and half-day tours. This afternoon, perhaps take time to settle in and explore the surrounds of the ranch. Then enjoy

a signature cocktail in the bar before dining on some traditional Patagonian dishes. Sit back and relax in absolute comfort, because your premium stay includes accommodation, unlimited excursions inside Torres del Paine National Park, all meals, an open bar with local wines, beers and spirits, and transfers to and from Punta Arenas.

Four Nights: Hotel Las Torres. D

DAY 2. TORRES DEL PAINE

Today’s exploration is a great way to start your discovery of the region, beginning with a full-day tour to the incredible Grey Glacier. Take the time to stop at many main sites along the way, pausing for short hikes

Torres del Paine National Park, Patagonia, Chile

and terrific views of the Paine Massif. You can then wander the shore of Lake Grey or get up close to the face of the glacier on a catamaran. BLD

DAY 3. TORRES DEL PAINE

Head out this morning in search of extraordinary Aónikenk rock paintings, which were left by some of the first inhabitants of the region. Led by a certified guide, you'll discover some of the geological processes that have helped shape this incredible landscape. With time at leisure this afternoon, you could spend time in your accommodation's half-hectare kitchen garden to learn about the

sustainable and bio-intensive methods used in growing the fruit and vegetables which will later make their way to your delectable dinner plate. BLD

DAY 4. TORRES DEL PAINE

This remarkable national park is not just about picturesque mountains and lakes, but is also home to a native Lenga forest. This iconic tree thrives on the low temperatures and provides habitat for several native species, from Magellanic woodpeckers and Austral parakeets to the elusive puma. Your guide will take you along the Paine River, a magnificent turquoise contrast to the forest and pampas.

After returning to Hotel Las Torres, you might like to treat yourself to a rejuvenating massage, or perhaps you'd prefer to spend time drinking in the vista. The choice is yours. BLD

DAY 5. TORRES DEL PAINE, PUNTA ARENAS

Today your journey through the southern tip of Patagonia comes to an end. You will be transferred to Punta Arenas airport for your onward flight. B

GOVERNING LAW

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

PRICE VALIDITY

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website – www.travelmarvel.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

TRANSFERS

Airport transfers are included on the first and last day of the tour package or with pre and post accommodation booked by Travelmarvel. No refund will be given for unused transfers. BOOKING AND PAYING FOR YOUR HOLIDAY

AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline

seating requests, these are never guaranteed and are subject to change at the airline's discretion.

AIRLINE LOYALTY POINT ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we strongly recommend you purchase at the time of booking.

TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

TRAVEL INFORMATION & DOCUMENTS

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions and annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including,

without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your tickets.

FORCE MAJEURE

Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks,

your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

DATA PROTECTION POLICY

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. Travelmarvel reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by Travelmarvel within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

Our publication contains limited information, however, there is more information on our website at travelmarvel.com.au and our qualified staff are available to discuss your options.

HOTELS

Hotel rooms may be smaller than those in Australia and New Zealand. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. Bedding configurations on board cruises may vary with the category booked. In South America twin-bedded rooms are very common and double beds are either not available or limited in number.

CRUISING – CABIN/SUITE/ STATEROOM SELECTION

Travelmarvel will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, Travelmarvel reserves the right to make changes to cabin assignment within the category booked without prior notice. Where guaranteed-grade cabins are confirmed, the shipping company reserves the right to allocate cabins within the grade booked or better, regardless of their location or configuration. For the Chilean Fjords cruise aboard Holland America Line's Oosterdam, guaranteed cabins are allocated by Holland America Line. A small number of cabins in certain categories are accessible and may be allocated to any passenger.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single rooms/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

PRE & POST EXTENDED TOURING

All extensions are based on availability at time of booking.

PASSENGERS NEEDING ASSISTANCE

Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Most river and ocean ships have elevators, however not all Travelmarvel ships have elevators. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descent stairs to cross over vessels to disembark and embark at times. Travelmarvel ships often sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for

passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor. Travelmarvel is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

HEALTH AND FITNESS

A good level of fitness and health is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river and ocean cruise ships and trains. We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any travel vaccinations which may be required. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. If your holiday package includes a Holland America cruise, you may be required to complete an additional Holland America form. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

SHORE EXCURSIONS

The timings of the shore excursions on all cruise holiday packages may differ slightly for each package. Timings of the shore excursions may differ slightly for each package and each departure. Guests must be able to climb ramps to embark or disembark cruise ships and tenders. Galápagos cruise holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of zodiacs.

VISA AND PASSPORTS

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

CHANGES OR ADDITIONS TO YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine preestimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by Travelmarvel).
