TRAVEL

AUSTRALIA & NEW ZEALAND

**SUSTAINABLE  
TRAVEL**

# *We are all* **INTREPID**

Every Intrepid adventure starts with curiosity.

A desire to understand, to learn something new, to challenge beliefs and push boundaries. To switch on our out-of-office alerts, to say farewell to daily routines, to have fun.

For some, being Intrepid means trying a dish they can't pronounce, or learning the salsa in a Cuban bar. It's climbing a mountain, or an encounter with a silverback gorilla.

For others, it's packing for a solo adventure, getting out of that bubble of familiarity, and making new friends in all corners of the globe.

Whether you've been travelling for years or you've never left home, we want to lead you to those moments of discovery, to satisfy that curiosity, to be Intrepid.

Because now, more than ever, the world needs more Intrepid people.

# Why CHOOSE INTREPID

## THE ULTIMATE ITINERARIES

We know this is your trip of a lifetime, and we're committed to making it unforgettable. Our itineraries strike the perfect balance between the structured and the spontaneous, with a focus on experiences only made possible when you're travelling with a local leader. You want freedom and flexibility as well as the highlights – that's why we craft tours that give you both.

Agra, India

01

## LEGENDARY LOCAL LEADERS

Get ready to go beyond the main streets and into the heart of a destination. Travelling with our expert local leaders means you can focus on being in the moment instead of worrying about missing the last train out of town or where you can safely stroll. It's adventure travel with all the boring details taken care of, guided by a local who wants to bring you into their world.

03

## MORE DESTINATIONS, MORE WAYS TO TRAVEL

We run thousands of trips in a range of styles and visit every continent on earth. And we do it all with our signature attention to detail and passion for real life experiences. Our destination experts are constantly scouring the globe for sights and experiences to share – so you can discover your new favourite place, or explore a guidebook staple from a new perspective.

04

Everest Base Camp, Nepal

Oaxaca, Mexico

02

## SMALLER GROUPS

Our groups are perfectly sized – on average, just ten travellers – to let you feel like you're exploring a destination independently, but big enough to create a good social vibe. Whether it's swapping stories at a local homestay, sharing a table at a hole-in-the-wall restaurant, or enjoying a drink at the end of a jam-packed day, our small group size opens up big opportunities the larger groups can only dream of.

Myaing, Myanmar

## TRAVEL FOR GOOD

We know our travellers care about the world as much as we do. From a meal made with produce grown on a family-run farm to learning how to basket-weave in a small village that's home to a community-based tourism project, when you travel with us you know that your journey is giving back. Don't just take our word for it – as the world's biggest travel B Corp, we follow strict ethical standards on sustainability, supply chains and social responsibility.

05

# HOW WE *Travel*

We're all about real life experiences. The surprising moments that turn into the stories you tell for years to come. You'll find them off the beaten track, in the bustle of a Marrakech souk or a quiet village along the Mekong Delta. These experiences are raw, authentic and totally unforgettable.

Rabat, Morocco

## THE ICONIC AND THE UNEXPECTED

Sure, the first time you look at a famous monument is incredible, but so is finding yourself in the middle of a village football game or sharing a laugh with a market vendor. Our trips combine the iconic with the unexpected to give you genuine insight into local life.

## AUTHENTIC FOOD

We know that food while you travel is more than fuel, and our trips include meals that enhance your adventure and give you a taste of the local flavours. Think a traditional Khmer meal in the grounds of a Cambodian temple, or a hearty dinner with an Amish family in Berlin, Ohio.

Bijaipur, India

Halong Bay junk boat, Vietnam

## STAY REAL

We think where you lay your head can be just as immersive as what you see in the day. Like spending the night at a 17th-century Rajasthani castle or a gite in the High Atlas Mountains. No matter where we stay, we always choose locally run accommodation.

## GET AROUND, GO DEEPER

Wherever possible, we do things the local way – including transport. It's better for the environment and a great way to immerse yourself in another culture. From gliding through the backwaters of Kerala in a pole boat, to zipping through Tochigi on a bullet train, we choose ways to get you there that take you deeper.

The Nile, Egypt

Sacred Valley, Peru

## LOCAL CONNECTIONS

By sharing laughter, stories and adventures with local people, you'll learn about different ways of life. More importantly, you'll find common ground. We believe in sharing a meal in a small community in Vietnam's Da Bac or staying in a Nepalese village recovering from the 2015 earthquake, than wearing a headset and following a flag.

# Why do AN INTREPID TRIP

## IN AUSTRALIA

Informative and immersive, our tours are for those looking to develop a true-blue understanding of Australia's inner workings and have a great time while they're at it. Take one comfy 4WD or minibus, add a knowledgeable local leader and a bunch of fellow adventurers and you're all set for the Outback. Forget your standard charter bus tour, these are quintessential Aussie road trips – you'll just have someone looking after the driving and navigating for you.

### EXPERT LEADERS

Our leaders are an enthusiastic and informed bunch who get a real kick out of showing you around and sharing what they love about their country. On top of that, they all have comprehensive training in first aid, driving, environmental awareness, local history and geology – so you're always in good hands.

### FIRST NATIONS EXPERIENCES

We work closely with Aboriginal and Torres Strait Islander communities on many of our trips to ensure your journey is filled with authentic experiences. With their guidance, our tours visit places of cultural significance, provide a deeper understanding of the land and what it means to the Traditional Owners and inspire an appreciation of the world's oldest living cultures.

### SUPPORTING COMMUNITIES

We're big believers that travel should benefit the places it touches. That's why we use experienced local guides, stay in locally-run accommodation and eat at local restaurants whenever possible. This means you're not only getting an authentic experience, you're also supporting the communities you visit.

### EXCLUSIVE ACCOMMODATION

Unique and exclusive accommodation is all part of the Intrepid experience. Whether you're staying in private wilderness camps in the Top End, underground bunkhouses in Coober Pedy or at a safari camp in Karijini National Park, all of our accommodation ensures an unforgettable adventure.

### CHOOSE YOUR STYLE

Every one of our trips has a particular style. It's a way to help pick the adventure that best suits you, whether you're after just the essentials, a whole bunch of inclusions or a little bit of both. The choice is yours.

#### BASIX

With authentic experiences and the icons at a great price, our Basix trips feature simple accommodation, local transport and are perfect for the independent traveller.

#### ORIGINAL

These are the trips we've built our reputation on! A mix of included activities and free time, tourist-class hotels and unique accommodation, some meals on us and the chance to follow your nose.

#### COMFORT

More inclusions, cushier accommodation and a more relaxed pace – Comfort trips are adventure travel with some of the rough edges smoothed away.

### PHYSICAL RATING

Each of our trips has a physical rating, so you can tell how exerting a trip is and how fit you'll need to be to enjoy it. As a guide:

- Easy and relaxing
- Bring your walking shoes
- An average level of fitness required
- Action-packed, physically demanding
- Full-on active adventure for the more agile traveller

# Cultural EXPERIENCES

With a history spanning some 60,000 years, Australia's Aboriginal and Torres Strait Islander peoples have the world's oldest continuous cultures – and an appreciation of their traditions is central to understanding present-day Australia. By working in partnership with First Nations communities, our tours are able to visit sites of cultural significance, educate travellers about the land and what it means to its Traditional Custodians, and do so with the respect each site deserves.

# RECONCILIATION ACTION *Plan*

Supporting and empowering the communities we visit has always been a core part of the Intrepid ethos. But as an Australian business, we recognise there's a lot more for us to do at home.

Our first Reconciliation Action Plan (RAP), developed in partnership with Reconciliation Australia, will see us actively partnering with more Aboriginal and Torres Strait Islander peoples, communities and organisations, as well as raising awareness of Aboriginal and Torres Strait Islander events and celebrations among our staff and travellers, while providing our staff with the resources to soak up that knowledge.

And that's just the beginning.

To learn more about our Reconciliation Action Plan see [intrepidgroup.travel/why-were-committing-reconciliation-action-plan](https://intrepidgroup.travel/why-were-committing-reconciliation-action-plan)

## TOP DIDJ CULTURAL EXPERIENCE

In Katherine, increase your appreciation for rich First Nations cultures through the Top Didj Cultural Experience. Local artist, Manuel, will tell his story, share his art and teach participants to make their own, and showcase traditional activities like fire lighting and spear throwing.

Available on PNTY4C (page 29)

## PUDAKUL CULTURAL EXPERIENCE

Pudakul Aboriginal Cultural Tours begin with a traditional Cul Cul, or 'Welcome to Country', from the Traditional Owners of the land, the Limilngan-Wulna people. Gain insight into local Aboriginal culture through interactive experiences such as bush tucker talks and spear throwing.

As featured on PNTK5 (page 30)

## JANINGBIRRINY GUMBAYNGGIRR

Share a unique, immersive Gumbaynggirr cultural experience that will connect you to the land, lore and ancient cultural knowledge of the Traditional Custodians of the Nambucca Valley. Walk, talk, taste, sing and connect to the incredible coastline and thousands of years of history.

## MARUKU ARTS

Nearly 900 artists make up the collective arts hub Maruku, which is owned and operated by the Anangu people from the Western and Central Deserts of Australia. Maruku aims to keep the Anangu culture alive through art and also make their culture accessible with tours, painting and carving workshops, traditional ceremonies and art exhibitions.

## KAKADU CULTURAL TOURS

Run in collaboration with the Traditional Owners of northern Kakadu and parts of western Arnhem Land, Kakadu Cultural Tours are a journey into the heart of this region's beautiful wilderness. Join a Binningj guide to hear stories of Creation Time, meet Aboriginal artists and learn traditional survival skills. These tours offer cultural immersion in a spectacular setting.

## KOOMAL DREAMING

The First Peoples of Australia's Busselton, Dunsborough and Margaret regions are collectively known as Noongar. On a bushwalk led by cultural custodian and local Wadandi man Josh 'Koomal' Whiteland, learn to identify native bush foods and medicines, discover fire lighting and tool making, and be treated to a live didgeridoo performance inside Ngilgi Cave.

# MEET YOUR *Leaders*

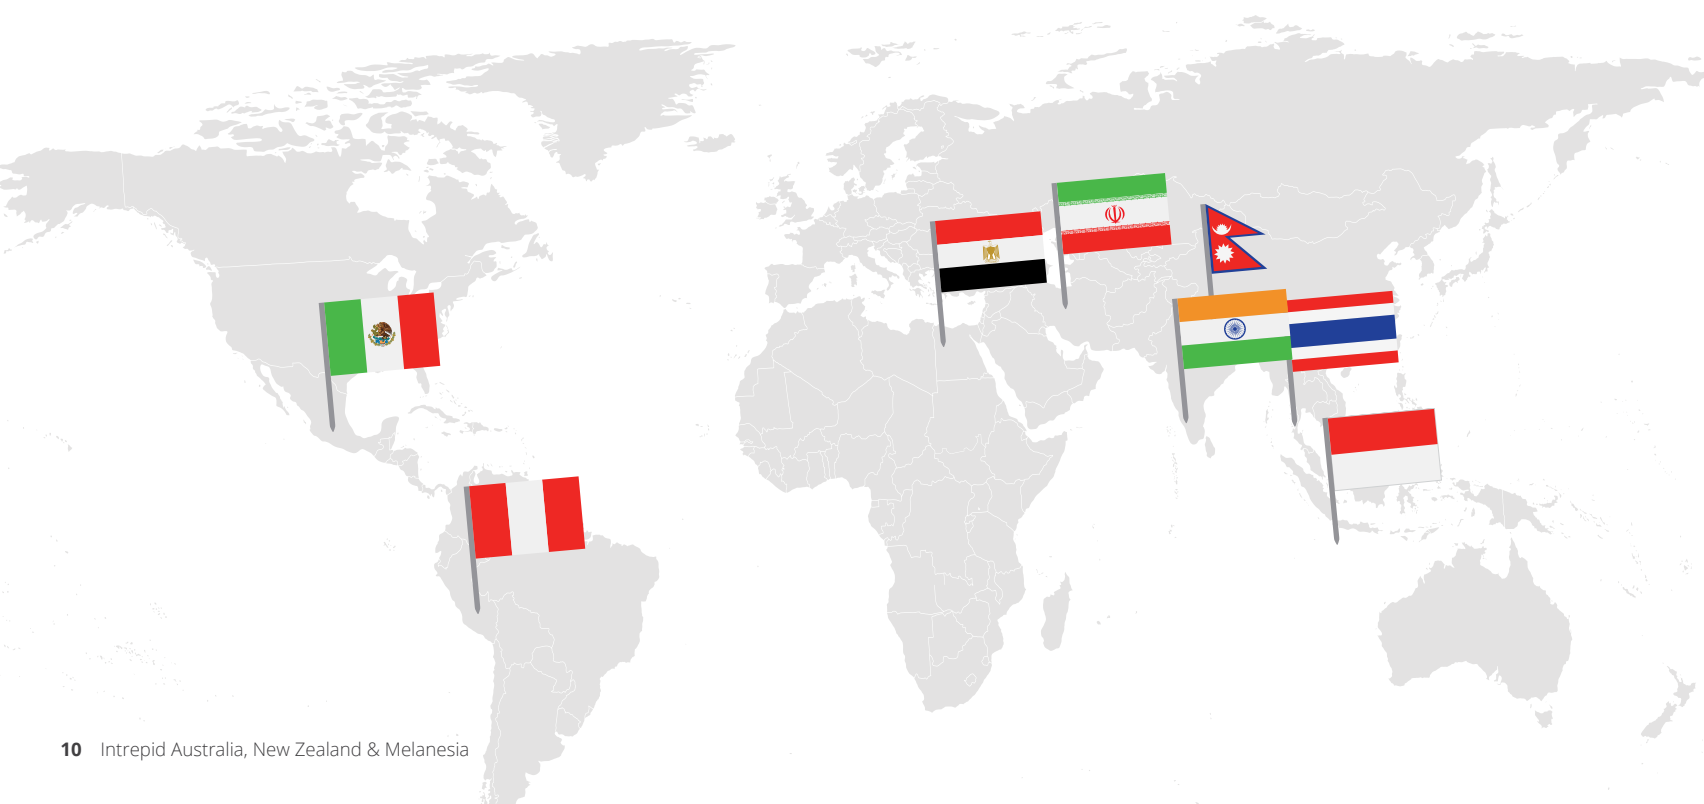

Our award-winning leaders are a diverse bunch with one thing in common: a passion for their part of the world. Here are just some you might meet on your travels.

Whether she's taking travellers to the best pad ka prow stall in Bangkok or the floating markets of Amphawa, Sasha helps people really connect with Thailand with her signature warmth and local knowledge. What matters most to Sasha is being kind and open, having fun, and providing her groups with an awesome experience of Thailand.

She's a friend and a translator, a problem-solver and that all-important link between being a traveller and a local. And while she loves being able to travel all over India, Ankita's favourite thing about leading for Intrepid is meeting new people and having different conversations every day. Her other fave thing? Introducing travellers to her most-loved Indian food: vegetarian thalis, a platter made up of curries, pickles, rice and bread (and watching them try to finish it!).

## Animal welfare

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

## Gender equality

In 2017, we committed to doubling our number of female leaders by 2020; since then, we've grown from 150 to over 300 female leaders globally.

## Ending modern slavery

Last year, we campaigned for laws that recognised orphanage tourism as a form of modern slavery. In 2016 we removed orphanage visits from all of our itineraries.

## Community-based tourism

Responsible, community-based tourism is good for travellers and locals alike. That's why we work with organisations like ActionAid to develop projects that empower communities.

## TRAVEL WITH IMPACT

We don't think travel should cost the earth, and we see it as our responsibility to help protect the planet we love to explore. We've been carbon neutral since 2010, and we offset the carbon emissions from our global business offices and our trips by supporting various projects all over the world.

## BE THE CHANGE

Since 2002, The Intrepid Foundation has been offering travellers a tangible, transparent way to give back to the communities we visit. It's simple: you donate, we double your contribution, and then we give 100% of that money to a community-based project. Thanks to you, we've donated over AU \$7 million to more than 130 local organisations around the world, helping to improve the livelihoods of vulnerable individuals and communities through sustainable travel experiences.

TRAVEL TALES FROM THE JOURNAL

TRAVELLER TALE

## HOW I LEARNED TO EMBRACE MY OWN PACE WHILE HIKING IN AUSTRALIA

I looked up and realised there was a huge gap between us and the rest of the group. Ah! I couldn't start off among the back already. Knowing myself, my fastest pace would be at the beginning, so I needed to build in a buffer. I wrapped up our conversation and sprinted ahead a tad, but then something stopped me: I looked up and realised we were completely enveloped by golden hues the sun was casting on the rock formations.

Suddenly, it didn't matter how far behind I was, I had travelled all the way from New York City to experience settings that didn't look like the urban jungle back home.

We all need a little destination inspiration, which is why your next stop should be The Journal, Intrepid Travel's award-winning blog. Written by travellers, for travellers, The Journal is filled with travel advice, inspiration, stories, city guides and more. Want to know what an Uluru hiking adventure is really like, which swimming holes are worth your time in the Top End, or what luggage is appropriate for your Aussie adventure? You'll find it on The Journal.

FEATURE STORY

## 6 OF THE BEST SWIMMING HOLES IN THE TOP END

The Outback.

Two words that evoke sprawling expanses and sparse plains of dry and dusty red earth.

But those who've seen the hidden oases in the Top End of Australia, rich in vegetation and flush with flowing water, know that outback landscape is anything but uniform. In the upper Northern Territory, it's all about the swimming holes (among many other things).

For those who haven't had the pleasure, here's our pick of the Top End's best spots in which to cool off. All of them except Jim Jim Falls are open year-round.

Search 'top end swim' at [intrepidtravel.com/adventures](https://intrepidtravel.com/adventures) to find the best spots

## YOUR ULTIMATE AUSTRALIA PACKING LIST

If you're planning a trip to the land down under, you're going to need a lot more than just your swimming costume (FYI we call 'em bathers or swimmers or togs over here) and a pair of flip flops.

Trust us.

Australia is an incredibly huge and astoundingly diverse place. You've got the Red Centre in the middle, steamy rainforests to the north, the world-class East Coast, remote West Australian beachfronts and dreamy mountain ranges.

But how do you pack for a land of extremes – both in landscape and in weather patterns? Well, we're here to help. From reusable water bottles to layers (layers and more layers), here's our definitive list of packing essentials for every Aussie adventure.

## A large group of approximately 25 people, including students and faculty, are posing on a steep, layered rock face. They are arranged in several rows, with some sitting on the rock and others standing. Many are making 'rock on' hand gestures. The rock face is composed of horizontal layers of reddish-brown sedimentary rock. The background is a clear blue sky.

# AUSTRALIA

From the ochre rocks and rusted deserts of the Outback to cosmopolitan cities that regularly top 'world's most liveable' lists, this is a destination where the possibilities are so vast, even the people who live there can make the mistake of leaving it till last. So if you haven't experienced it yet, now is the time. A world of bright blue skies, sun-drenched beaches, remote gorges, hidden swimming holes and ancient Aboriginal and Torres Strait Islander cultures awaits.
