NOW WE'RE

Flipping the Script

Our festival-like lineup was developed by the world's most-talked-about producers, directors, choreographers and artists. They've crafted exhilarating, contemporary, and immersive shows that push boundaries, explore untold stories, and cultivate experiences that aim to transform and inspire you.

DUEL REALITY

CREATED BY THE 7 FINGERS

Our fast-paced retelling of Romeo and Juliet — with an elaborate circus twist. Watch as two groups grapple with the desire to rise above one another through graceful and death-defying acts.

ANOTHER ROSE

PRODUCED BY RANDY WEINER

Doomed love, acrobatics, and a dinner party you'll never forget — it's an immersive theatrical spectacle that tells the tale of a life lived without inhibitions.

UNTITLED DANCESHOWPARTYTHING

CREATED BY SAM PINKLETON & ANI TAJ

This hype music-video-meets-club-scene is an absurdist dance party... with a dash of old-fashioned showbiz flair. Grab a drink and stay in the (un)moment of it all.

IT'S A SHIP SHOW!

CREATED BY PEPPER LOHR

With The Manor transforming into a supper club, enjoy a bit of nostalgia with a twist (naturally) in this old-school variety hour meets late-night talk show mash-up. Featuring a menu of delicious food, live music, comedy, exclusive performances, and a bit of the unexpected — this show is the SHIP.

SHIPS IN THE NIGHT

CREATED BY THE 7 FINGERS

Through the use of ethereal technology and electrifying choreography, this edgy and beautiful production explores the significance (or insignificance) of incidental connection while on our own personal journeys.

MISS BEHAVE GAME SHOW

PRODUCED BY AMY SAUNDERS

Win points, lose points, and surprise yourself during our never-the-same-show-twice game show. The Host and Assistant will keep you entertained, while guiding you to a Grand Prize finale like you've never witnessed before. Not clear about what you'll see? Perfect — we can't wait to surprise you.

PERSEPHONE

PRODUCED BY JENNA CLARKE

This exciting and immersive experience tells the ancient Greek tale for the reason the seasons exist. Following Persephone's journey as she explores the world while challenging her family's plans for her, this modern theater-styling meets classic Greek history and brings the story to life in a stunning and exhilarating way.

“

“It’s obvious that the entertainment staff has freedom to express themselves. It’s not the same song-and-dance acts from performers who sort-of sing as on other lines, but top-quality, modern and interactive performances.”

—TIFFANY

“The show ‘Duel Reality’ blew my mind. The performers are beautiful, athletic, and talented...with an unbelievable vocal performance at the end that came out of nowhere!”

SUSTAINABILITY AT SEA

We recognize how fortunate we are, and in doing so, we recognize the obligation we have to do better for our Sailors, our Crew, our partners, our communities and the oceans we sail. We're all-hands-on-deck when it comes to **supporting and sustaining the environment**, to lessen our impact, and to make sure the world is here for us all to enjoy for a long time to come.

Sustainability efforts are deeply embedded into both our operations and into the Sailor experience itself. Through pioneering innovative and sustainable technologies, banning unnecessary single-use plastics, and thoughtfully sourcing food and retail merchandise — we're creating an experience that balances the duality of enjoying the earth, **while also preserving it**.
